The London to Fishguard Trunk Road A40 - Llanddewi Velfrey to Penblewin Improvement

Y Pencadlys,
Heol Llwyn Pisgwydd,
Caerfyrddin,
Sir Gâr,
SA31 1SP
post@tancgc.gov.uk

The proposed trunk road will connect to the existing A40 layout by means of Llanddewi Velfrey East Junction Roundabout at Bethel Chapel and extend in a westerly direction for approximately 4.46 km to a point on the A40 at Penblewin Roundabout.

Headquarters,
Lime Grove Avenue,
Carmarthen,
Carmarthenshire,
SA31 1SP
mail@mawwfire.gov.uk

The Scheme will provide a total of 2.08km overtaking length east bound and 1.05km west bound, with an enlarged trunk road located North of the existing A40 providing two lanes east bound and one lane west bound.

This proposal will make improvements to the poor route which runs through the centre of Llanddewi Velfrey, access to Llanddewi Velfrey and its environs will remain unaffected and will increase safety through design, construction and lighting.

As this proposal is designed to increase road safety and reduce traffic constriction, bypassing the village of Llanddewi Velfrey, I have no objections and support the proposed scheme in its entirety.

Yours faithfully

Director of Operational Support & Improvement
