I would like to record my strong support for the decision to provide a bypass for the village of Llanddewi Velfrey .The village is adversely affected by the busiest road in West Wales dissecting it

The case has been made for a bypass over many years . Concerns have been expressed over the dangerous speed and number of vehicles using this main artery road to the port of Fishguard and onward to Ireland .

The majority of people in the village are extremely delighted that the bypass is to be. constructed and were devastated by the delay .

Yours sincerely
