Dear Ms Scott,

Based on the response provided on 25 October 2019, I would be grateful if you could confirm in writing whether you are now content to withdraw your objection to the draft Statutory Orders for the A40 Llanddewi Velfrey to Penblewin Improvements. Without this, your email correspondence dated 20 September 2019 will still be considered as an objection to the Scheme.

Kind regards

Martin Gallimore
