**Subject:** Support for proposed Llanddewi Velfrey to Penblewin bypass

Dear Sir or Madam,

Quite frankly I'm staggered that this bypass has not been completed already. This scheme, or previous versions of it, have been talked about and promised for at least 20 years. The many reasons to support it are clear and obvious to 99% of villagers who use the road every day. It's time to get the bypass done!

Yours faithfully,

Caroline Moore
