I would like to take this opportunity as a resident of Llandewi Velfry to offer my support for the proposed BY PASS .I have lived at for 16 years now and am eagerly awaiting being able to walk along the very narrow pavement without cars and lorries thundering within inches of me.

There are of course a number of children in the village and I have four young grandchildren and it is not really very safe to walk to the park play area or let them out to play unsupervised.

I conclude that a by pass would enhance the quality of life for the residents of Llandewi and look forward to it.
