**Subject:** Proposed Llanddewi Velfrey Bypass

Good afternoon,

My name is Adam; I'm a resident of \_\_\_\_\_ and have been for nigh on twenty years.

I would just like to take the opportunity to speak out in absolute favour of the proposed bypass. I strongly believe that the proposed bypass will make the village a considerably safer and generally better place to live.

As a Biology/Environmental Science graduate and Professional Analyst, I also have an appreciation for the long term benefits (definitive net reduction will be a reality in the future) such a bypass will have on greenhouse gas emissions - the greatest challenge facing the world today, in the eyes of many.

Thank you,

Adam Moore
