---

Good Morning,

I reside in the village and my garden backs onto the A 40, I would like to take this opportunity to confirm that I am IN SUPPORT OF THE BY-PASS.

A few of my reasons for this:

1. The Volume of traffic flow going through the village and the speed they travel at.
2. Difficulty for locals accessing the A 40 because of the amount of traffic and speed
3. Pathways are very narrow, taking your life in your hands when walking on the paths .
4. Fatalities in the village caused by traffic and speed, which have increased over recent Years.
5. 24 hour Traffic noise and pollution.

If you need to contact me my details are as follows:

Kind regards,
