Subject: A40 bypass
Attachments: ATT00001.txt

Good morning,

We would like to add our support to the A40 by-pass in Llanddewi Velfrey going ahead. We are a family of 5 living at which is beside the A40. We feel there is a real risk to people's safety within the village with the speed that vehicles travel through the centre of the village and are therefore in support of the by-pass to direct that traffic around the outskirts.

Many thanks

Karen
