**Subject:** Llanddewi velfrey bypass

To Tracey

I am contacting you to show my full support for the Llanddewi velfrey bypass. I live in the village and have to cross the main road when returning from school to get home. This can take a very long time due to the amount of traffic and the lorries are always driving past so fast and close that it is very scary standing and walking along the pavement. Having this bypass would make the village safer for everybody.
