Dear Sir / Madam

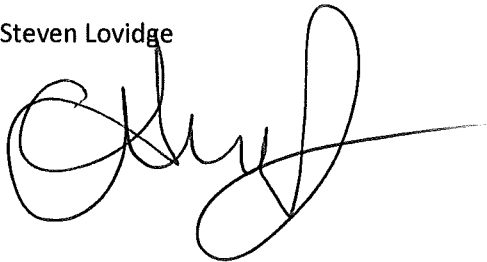

Enclosed are three sets of photocopies of newspaper cuttings chronologically charting the history of Llanddewi Velfrey's efforts in getting a bypass constructed.

We would like to submit this as evidence to demonstrate the amount of effort the local community has gone to over the last forty years, since 1980 to the present, to make the village a whole and safe for its families, especially its children!

We have also included extracts from a traffic calming report produced for the "Countryside Council for Wales" in 1995 and the 1980 proposed "Pengawse Hill Llanddewi Velfrey Diversion" by the "Welsh Office" to lend weight to our argument.

Warmest regards

Steven Lovidge
