Subject: [External] Re: A40 Llanddewi Velfrey | Objection Response

To whom it may concern,

Sorry for the delay in responding to your email date 16th January 2020.
But following on from my phone conversation with Martin Gallimore on Monday 10th February, he asked me to email to inform you that I am still reviewing my response to your email regarding the objections.
I will email again ASAP, with my points to work forward.

Many thanks for your time.

Tom Carrington.
