CYNIGION AMGEN A GYNIGIR GAN WRTHWYNEBWYR

Cyhoeddodd Llywodraeth Cymru orchmynion drafft mewn cysylltiad â'r gwelliant a grybwyllir uchod a oedd yn agored i wrthwynebiadau, sylwadau neu gefnogaeth. Yn sgil derbyn gwrthwynebiadau a sylwadau ynghylch y cynigion hyn, mae Ymchwiliad Cyhoeddus Lleol i'w gynnal gerbron Arolygydd annibynnol a fyddyn dechrau am 10:00 yb dydd Mawrth 10 Mawrth 2020 yn Neuadd Pentref Llanddewi Felffre, Glan Preseli, Llanddewi Felffre, Sir Benfro SA67 7PG. (Cyhoeddwyd manylion yr Ymchwiliad Cyhoeddus ar 29 Ionawr 2020). Er mai Ymchwiliad ynghylch cynigion Llywodraeth Cymru fydd hwn, bydd yr Arolygydd a fydd yn arwain yr Ymchwiliad hefyd yn ystyried unrhyw awgrymiadau am lwybrau amgen a gaiff eu cyflwyno.

HYSBYSIR DRWY HYN fod awgrymiadau penodol sy'n wahanol i'r cynigion a gyhoeddwyd wedi dod i law. **Er nad yw Llywodraeth Cymru'n cefnogi neu'n dymuno hyrwyddo unrhyw un neu rai o'r awgrymiadau hyn**, mae'n rhaid i ni eu cylchredeg i'r rhai y gall hyn effeithio arnynt er mwyn rhoi cyfle i'r partïon â buddiant i wneud sylwadau arnynt. Byddai sylwadau o'r fath yn cael eu trosglwyddo wedyn i'r Arolygydd sydd yn arwain yr Ymchwiliad er mwyn ei alluogi i roi ystyriaeth lawn a phriodol i ragoriaethau cymharol y cynigion amgen a awgrymwyd.

OBJECTORS ALTERNATIVE PROPOSALS

The Welsh Government published draft orders in connection with the above mentioned improvement which were open to objection, representation or support. Following receipt of objections and representations to these proposals, a Public Local Inquiry is to be held before an independent Inspector and will commence at 10:00 am on Tuesday 10 March 2020 at the Llanddewi Velfrey Village Hall, Glan Preseli, Llanddewi Velfrey, Pembrokeshire SA67 7PG. (Details of the Public Inquiry were published on 29 January 2020). While the Inquiry will be in connection with the Welsh Government's proposals, the Inspector who will conduct the Inquiry will also consider any alternative route suggestions put forward.

NOTICE IS HEREBY GIVEN that certain alternative suggestions to the published proposals have been received. **While the Welsh Government does not support or wish to promote any of these suggestions**, we are obliged to circulate them to those who may be affected in order that interested parties are given the opportunity to comment. Such comments would then be passed to the Inspector who will conduct the Inquiry, enabling him to give full and proper consideration to the relative merits of the alternative proposals suggested.

The alternatives put forward and being considered

Y dewisiadau amgen sy'n cael eu cyflwyno a'u hystyried yw:

Byddai **Llwybr Amgen 1A a gynigir gan y gwrthwynebwyr (Llwybr Amgen Ffordd Ymyl Treganfor)** yn ffurfio trefniant amgen i fynedfa fordd Ymyl Trefangor. Mae'r ffordd amgen yn cynnwys cynnig i'r ffordd amgen ymadael yr A40 presennol trwy danffordd o dan priffordd yr A40 newydd. Cedwir aliniad llorweddol a fertigol priffordd yr A40 arfaethedig fel yr hyn a gafodd ei gynnwys yn y Gorchmynion statudol ddrafft. Mae'r tanffordd amgen yn teithio o dan priffordd yr A40 newydd.

Byddai **Llwybr Amgen 1B (Llwybr Amgen Ffordd Ymyl Treganfor)** hefyd yn ffurfio trefniant amgen i fynedfa fordd Ymyl Trefangor, gyda'r mynedfa arfaethedig wedi ei leoli yn yr un lleoliad ag Llwybr Amgen 1A. Mae'r ffordd amgen arfaethedig yn cynnwys cynnig i'r ffordd amgen ymadael yr A40 presennol trwy danffordd o dan priffordd yr A40 newydd. Yn y llwybr amgen yma, mae alinoiad fertigol priffordd yr A40 newydd wedi ei godi i ganiatau'r tanffordd amgen i deithio o dan yr A40 yn agos at lefel presenol y tir. Mae hyn yn dileu'r angen i'r ffordd amgen fod mewn cloddiad.

Mae llyfryn gyda chynlluniau y mae Tîm Prosiect Llywodraeth Cymru o'r farn eu bod yn gyson â'r awgrymiadau uchod am gynigion amgen wedi ei baratoi a gellir ei wweld yn y lleoliadau canlynol:

- Cyngor Sir Benfro, Neuadd y Sir, Hwlffordd, SA61 1TP

Objector's Alternative Route 1A (Alternative Access for Trefangor Side Road) comprises an alternative access arrangement for Trefangor Side Road. The alternative includes a proposal for a proposed entrance from the existing A40 via an underpass underneath the new A40 mainline. The proposed A40 mainline retains the same horizontal and vertical alignment to that of the published draft Orders. The alternative underpass passes beneath the new A40 trunk road.

Objector's Alternative Route 1B (Alternative Access for Trefangor Side Road) also comprises an alternative access arrangement for Trefangor Side Road, with the proposed entrance located at the same place as Objector's Alternative Route 1A. The alternative includes a proposal for a proposed entrance from the existing A40 via an underpass underneath the new A40 mainline. However, the vertical alignment of the new A40 trunk road is raised to allow the alternative underpass to pass beneath the A40 close to existing ground level, which negates the need for the alternative side road to be in cutting.

A brochure with plans, which the Welsh Government's Project Team believe accords with the above suggested alternatives, has been prepared and may be viewed at the following locations:
