- 2.1 In paragraph 4.1 of the Statement of Case Part B: Statement of Need (WG 1.1.2) and paragraph 5.1 of the Statement of Case Part C: Summary (WG.1.1.3), I state the Trans-European Transport Network (T-ENT).
- 2.2 In paragraph 33.9 of the Statement of Case Part A: Policy Statement (WG 1.1.1), I state Trans-European Road Network (TEN-T),
- 2.3 In all instances this should have referenced the Trans-European Transport Network (TEN-T). All references to T-ENT and Trans-European Road Network throughout witnesses' evidence should refer to Trans-European Transport Network (TEN-T).

Environmental Statement (ES) End of Objection/Comment Period.

- 2.4 Table 1 of the Statement of Case Part B: Statement of Need (WG 1.1.2) outlines the published draft Orders and Environmental Reports.
- 2.5 The boxes in Row 1 and 2, Column 4 state that the end of the objection/comment period for the Line Order and Side Order was 20 September 2019. This was the date given in the Public Notice for the draft Orders (WG 2.04.01) as the end of the period when the draft

Orders and documentation were available for consideration in person.

Through a typographical error, the Public Notices for the draft Orders in fact did state that there was until 30 September 2019 for the submission of objections to the Orders Branch of the Welsh Government.

- 2.6 The boxes in Rows 3 and 4, Column 4 state that the End of Objection / Comment Period for the ES and for the Statement to Inform an Appropriate Assessment was 20 November 2019 (16 week comment period). In fact each of the published dates within the Public Notices was 20 September 2019 (WG 2.04.02 and WG 2.04.03).
