Subject: Support for proposed Llanddewi Velfrey Bypass

Dear Tracey,

My name is Jack Moore and I reside at _____ Please acknowledge this email as support for the
acknowledged bypass. I am currently who student who drives to and from university. I find it often difficult to have
to drive anywhere due to the high volume of traffic, it sometimes becomes so busy that I can never leave the
junction to join the A40.

I hope to see changes soon.

Yours sincerely,

Jack Moore.
