Dear Mr Dixon

**Re: A40 Llandewi Velfrey to Penblewin Improvements
Proposed Llandewi Velfrey Bypass
Messrs Reynolds,**

Further to our meeting at Llandewi Velfrey Village Hall late last Wednesday Afternoon coupled with the extensive discussion which took place therein and that of your subsequent letter dated the 12th March I write to confirm that for and on behalf of my above clients the freeholders of Llandewi Velfrey the fact that they would like to withdraw the objections lodged to the draft orders into the scheme. I would appreciate if you would be kind enough to place a copy of this letter in front of the inspector conducting the Public Inquiry.

Your Sincerely
